

# Notes function

This option is only available to logged-in users. Notes are saved in the **Your notes** section in the **User profile**.

## To add a note:

1. Log into your user account in the Repository, search for and view the items you are interested in.
  - [Instructions for logging in](#)
  - [Search instructions](#)
2. Select the **Notes** section on the right.

3. Enter the content and save it by clicking on the **Save note** button. Added notes are available in the **Your notes** section.

# Collection function

This function allows you to create your own collection of interesting items stored in the Repository.

1. Log into your user account and search for the items you are interested in.
2. Change the result list view to a **tabular layout**.

Repository of University of Life Sciences in Lublin

collections: Clear Select all

Sort by: Relevance

Results view: [List] [Grid] [Table]

1 objects found

<input type="checkbox"/>	Title	Author	Collection	Identifier	Date
<input type="checkbox"/>	Statut Uniwersytetu Przyrodniczego w Lublinie (wersja na dzień 17.07.2020 r.)	Uniwersytet Przyrodniczy w Lublinie	inne		2020
